

2008-2009 Priority Setting Questionnaire

Disability Rights Oregon (formerly Oregon Advocacy Center) provides legal advocacy to individuals with disabilities who have an issue related to their disability. We provide services through outreach, education, information and referral, individual case work, administrative advocacy and litigation. In setting our priorities for 2008-2009, **we would like your help in deciding where to focus our resources**. Please give us your opinion about the things that are important to you as an individual and things that you think are important to the disability community. Please use more paper if needed. **If you need assistance, you can call 503-243-2081**. Please return in the enclosed envelope by August 15, 2008. Thank you

1. What can Disability Rights Oregon do to help people with disabilities have full access to their communities? Issues such as housing, transportation, courts, higher education, guardianship, in-home supports and voting.

2. What can Disability Rights Oregon do to help people with disabilities in getting access to adequate health care, including assistive technology?
